Reiseprogramm

Day 1: Alice Springs to Uluru

Melbourne might have the arts scene and Sydney the beaches, but Alice Springs is really where you need to go to understand the heart and soul of Australia. Meet your leader and fellow travellers at the Alice Springs pick-up point this morning and set off to explore the Red Centre. Whereas Uluru emerges from the earth as one giant boulder form, Kata Tjuta pops up as 36 different domes and you'll get to know the site pretty well on an afternoon hike following lunch. As evening begins, enjoy some tasty snacks as the sun sets over Uluru casting incredible colours. The perfect end to a remarkable day is awaiting you back at camp, as you enjoy a delicious spread of food with your group. If the weather permits, sit outside under the stars. Meet your guide at Stay At Alice Springs Hotel (formerly Aurora Alice Springs) this morning. You will be picked up 6.00 am so please make sure you arrive at least 10 minutes early. Uluru is considered a living cultural landscape and home to the spirits of the ancestors making it a sacred place for the Anangu peoples. The Anangu people have dissuaded visitors from climbing Uluru for decades; as traditional owners of the land they feel a deep responsibility for everyone who travels to the area. In 1998, we were among the first tour operators to stop climbing Uluru. The Australian Adventure Group are proud to be involved with local communities in Uluru and to have an ongoing commitment to providing employment for the Anangu people. You show respect when you choose not to climb Uluru but walk with Anangu throughout the area and share their stories instead.

Day 3: Kings Canyon rim walk

The main attraction of Watarrka is undoubtedly Kings Canyon – a humungous gorge enclosed by sheer rock walls hundreds of metres high. Offering a welcome escape from the dry desert heat, this site's deep gullies and hidden rockpools provide shelter to more than 600 species of native plants and animals. Your guide will point these out on a guided trek that takes in the canyon's most famous sites – the Lost City, Garden of Eden, Amphitheatre and North and South Walls. Then it's lunch, rest, and back to Alice for farewells.
