FAQS

What is the minimum rental duration?

The minimum rental period for all campervans and motorhomes is 5 days. Increased minimum rental periods apply at peak times, and for one-way hires. Shorter rentals may be available at special rates.

When can I pick up and drop off my Apollo rental?

Apollo branches have seasonal opening hours. During peak periods, branches are open seven days a week from 8:00am to 4:00pm for pick up and drop off. Branches will be closed Christmas Day, New Years Day and Good Friday. A surcharge applies to all rentals picking up and/or dropping off on all other national public holidays.

Can I travel one-way with my Apollo Motorhome?

Apollo Motorhomes may be rented for one-way travel, between the North and South Islands and vice versa. A one-way rental fee may be charged for one-way rentals, please see the full terms and conditions for details.

How old do I need to be to drive an Apollo vehicle?

Drivers must be 21 years of age or over.

Do I need a special driver's licence?

If the driver's licence is not in the English language then an international driver's licence or an accredited English translation is required. The driver's licence must have been held for at least two years and be valid for the whole length of the rental. The original driver's licence must be shown at the time of pick up when the driver is present.
