

Victoria's High Country Horse Ride (3 Tage / 2 Nächte)

Michael and Sally Watson welcome you to an adventure experience. Horses and the magnificent High Country are both a way of life and a passion for us. Michael began riding almost as soon as he could walk, and is the second generation in his family to saddle up the horses and guide visitors deep into 'Man from Snowy River' country, including the famous jump scene from the movie. Sally also began riding as a child and is an expert polocrosse player who has represented Victoria in this sport.

Reiseprogramm

Michael's family have lived on a 730 acre farm adjoining the High Country for 50 years, and are close friends with the fifth generation of farming families who settled in this region in the 1870s. Michael has roamed the hills with these mountain cattlemen countless times, and developed much of his vast local knowledge from them.

Our farm is an authentic working property, complete with 80 year old house and stables, 55 horses and family dogs who welcome guests back from their ride. The farmhouse has a story of its own, as it was built by John Shanks whose uncle, Sergeant Michael Kennedy, was shot dead by bushranger Ned Kelly's infamous gang. We have three children: Rebecca, 15, who is already an avid rider, Nicholas, 14 and Max, 9 years of age.
